

ATHLETIC DIRECTORS AND TRACK COACHES

The Freeman **WIZARD RELAYS** will be held at the Freeman High School Track on Monday, May 1, 2017. Field Events will begin at 4:00 p.m. and track events will begin at 4:30 p.m.

Please send a roster of your boys' and girls' track team, broken down by GRADE and GENDER by fax or email as soon as possible, but not later than Thursday, April 27, 2017, so we may enter their names in the computerized track meet scoring program. There are no forms that need to be filled out for this meet. The Clerk of Starts will set up the heats (**faster runners first**) and lanes as the meet progresses. We will be utilizing computer labels (sticker system). Each runner for an individual event should have a label with the runner's name, event, and school name printed, so that the label is very **LEGIBLE**. Only the anchor of a relay team needs a label. **Field event participants do not need a label, as they will sign up at their particular event site.** Field event 400-meter CO-ED relay anchors **WILL** need a sticker for the running event. The CO-ED WEIGHT PERSON RELAY MUST CONSIST OF 2 GIRLS AND 2 BOYS. Each runner must have competed in at least one weight event. Runners can run in any order. Team points will be awarded for both the girls and boys event.

All events are finals. There will be **NO PRELIMS** in running events. There will be **NO FINALS** in the field events. Each competitor will have 3 attempts in all field events. Entries are limited to one relay team per school and three entries per school for individual events. The only exception will be the 800 and 1600 meter runs as they will have unlimited entries. Each track and field participant may be in a maximum of four events.

Medals will be awarded for eight places in all events. Eight places will be scored in this meet as well (10-8-6-5-4-3-2-1). **NOTE: WE WILL NOT AWARD TEAM PLAQUES, BUT WE WILL KEEP COMBINED GIRLS (7-8) AND BOYS (7-8) TEAM POINTS.**
